

Why Join The Indian River Neighborhood Association?

No individual can follow all the issues, go to all the meetings, speak up for the people and hope to accomplish anything.

No one person has a chance against well-organized and well-financed special interests – it just can't be done.

We have no self interest or profit motives. Our solitary purpose is to protect our communities for the enjoyment of its current citizens and for future generations.

“As life-long residents of Indian River County we were comforted in knowing that the IRNA had an active interest in helping us fight a proposed mining operation in our neighborhood.” **West County Residents**

“When the battle against the proposed concrete plant in my neighborhood looked overwhelmingly desperate, I asked the IRNA to offer assistance. Advice and counsel from the IRNA made a whale of difference in our progress.”

Sebastian Neighborhood Resident

“Representatives from the IRNA were with us throughout the 18-month long process of hearings at the Planning and Zoning and County Commission meetings. We are indeed very grateful and appreciative.”

Mobile Home Park Resident

“We've found that working together, neighbor helping neighbor, is the best way to improve everyone's life.”

What Is the Indian River Neighborhood Association?

- A non-partisan, non-profit organization made up of members of neighborhoods throughout Indian River County
- Membership includes experts in planning, codes, land use, zoning, transportation, economic growth, the environment and our natural resources

What We Believe In

- Supporting the integrity of neighborhoods
- Protecting our natural resources
- Demanding quality development that doesn't increase taxes
- Creating jobs through sustainable economic growth

Putting Our Beliefs Into Action

- Vigorously engage in the election process for county and municipal officials who support our mission and beliefs
- Assisted Sebastian residents' and local businesses' efforts to prevent a concrete plant from being built in their neighborhood
- Facilitated technical planning changes on a commercial project to mutually benefit the business owner and surrounding neighbors
- Assisted a county neighborhood in obtaining critical drainage improvements after being flooded during recent hurricanes
- Worked with mobile home park residents to pass a new county law designed to provide residents timely relief from eviction when developers purchase the parks with plans to change the land use
- Supported adoption of a jobs-focused business incentive package for the largest private employer in the county
- Continue to support the tax abatement initiative to attract new business and encourage expansion of existing business
- Continue to provide support to neighborhoods and agricultural landowners threatened by incompatible land uses such as mining
- Continue to support the fair distribution of costs resulting from the impact of development
- Continue to participate in the regional vision to advance life science research and technology in Indian River County
